# Record of 90 Day CIS Certification Extension

Certified IPC Trainers are authorized to grant, at their discretion and in accordance with ISO or other certification guidelines and restrictions that may be in place at a company, a single extension of up to ninety (90) days to a Certified IPC Specialist.

Extensions may only be granted by a currently certified CIT (or MIT) in the same program.

A copy of this form should be retained by the CIT and the CIS. Do not submit this form to IPC. It is also recommended that the extension be noted on the CIS certificate.
